

**lovi**

an app made for people  
who are suffering long-  
distant relationship

An digital private space for long-distant relationship lovers to store memories.

Design Objective

People who are suffering LDR.

Intended Audience

Users can upload photos to the MEMORY section.

Users can mark down important dates(anniversary) in SPECIAL DAYS section.

The app will serve as a private memory photo book for LDR people.  
The app can note down important dates for LDR.
